WACH 502 - Next Seminar

Student presenters: Kiran Toor, Amanda Nitschke

Tuesday, January 30

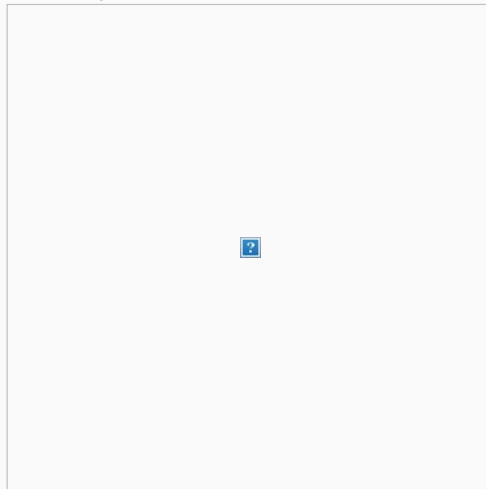

BCWH Shaughnessy D308

12:00 - 1:30pm

WACH Us Move

WACH Us Move is back for Year 2! WACH Us Move is a week-long initiative to get WACH students moving for their wellness!

Each day from **Monday, January 29 to Friday, February 2**, we encourage you to get moving using the daily challenges. Feel free to adapt all activities to your own comfort level.

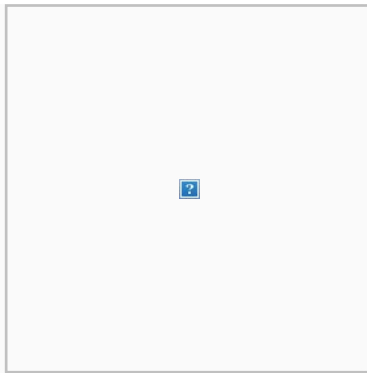

Each time you participate in a daily challenge, you will be entered into a raffle draw for some exciting prizes! To submit an entry, we encourage you to post your proof of participation of the activity on your story and tag or direct message our Instagram handle ([@ubcwachso](#)). If you do not have Instagram, please contact Jalisa at JL.Karim@student.ubc.ca for Messenger or email submission options. Proof of participation is flexible- you can take a picture or video of yourself participating in the activity, or the equipment you are using, or your Apple Watch/Fitbit counter.

This year we are also adding an **in-person event on Tuesday January 30** at D306 Shaughnessy Building (BCWH). We will be leading a short group workout (something light and fun), followed by some healthy snacks and drinks. Those who attend the in-person event will get 2 raffle entries that day. Remember to wear comfy clothes that you can move in!

Please RSVP here:

https://docs.google.com/forms/d/e/1FAIpQLScR8mi2yQqLIR2OZXfqOK8zYrYE1oLd4kXtMDk_SnL.MrAZRYg/viewform.

Prizes include:

- (2) UBC-branded water bottles
- (1) Body energy club gift card (\$20)
- (1) MEC gift card (\$40)
- (1) Lululemon gift card (\$75)

Follow us on our Instagram page ([@ubcwachso](#)) for daily updates!
We look forward to your submissions!

Student Feedback Surveys

Graduate Student Housing and Community Needs Survey

Results from this survey will shape the planning and design of graduate student housing and amenities.

Students will receive personalized survey invites by email and are asked to complete the survey by **January 28**.

Graduate & Postdoctoral Learning Environment Survey

We encourage you to participate in this survey as your feedback is used to improve the quality of the learning environment for current and future students and trainees. The last time this survey was conducted (2019), the Faculty of Medicine made significant changes because of the results, including hiring a dedicated embedded counsellor to support FoM graduate students, and introducing many other wellbeing-related initiatives.

Students will receive personalized survey invites by email and are asked to complete the survey by **February 13**.
